Almondy

OUR WORLD OF CAKES

A SWEDISH BAKERY THAT SPREADS HAPPINESS ALL AROUND THE WORLD, EVERY DAY

At Almondy, we believe everything is better with cake.
We're a Swedish bakery dedicated to bake frozen cakes that bring joy to people all around the world.

Our journey began in 1982, when we were known as Mandelbageriet - a small bakery in central Gothenburg, on Sweden's west coast. Today, we've grown into a modern facility just outside the city, where around 120 passionate employees work with a clear purpose: to spread happiness.

Every day, we bake around 80.000 cakes - each made with high-quality ingredients and a signature touch that makes enjoying our cakes easy, all while ensuring an exceptional taste experience. Our cakes are now available in over 65 countries, becoming part of joyful gatherings and sweet celebrations everywhere. A piece of cake might not change the world, but we believe it can create unforgettable moments.
And that's something we're truly proud of.

HAPPINESS IS A PIECE OF CAKE!
